

Request for Additional Funds For **Computer Purchase**

*Students completing this form are requesting to have their financial aid budget increased to reimburse themselves for the purchase of a laptop with loan funds. Forms should be returned to the **Law Financial Aid Office**.*

Student Name _____

QU ID # _____

Remember: You will need to submit an additional loan application to receive reimbursement if you did not include the amount already in a previous request.

I am requesting an increase in my cost of attendance/budget to purchase a computer. I understand this form does not mean I am automatically approved for the loan. Please note, this is a one-time increase. The amount is determined by the receipt that is provided and is capped at \$2,500. This increase will not be processed without proof of purchase.
